

# WorkWell: Supporting work and health

WorkWell is a free service that helps people who might be struggling because of their health to find jobs or keep their job. Health and work coaches talk to you about what you need and help you to find the right support to start, or stay in work.

You are eligible for WorkWell if:

- You are 16 years or older
- You have the right to work in the UK
- You live in, or are registered with a GP or Job Centre
- You have a health related barrier to work

You do not need to be claiming any Government benefits to access this service. You must live in Cambridgeshire, Peterborough or Royston to access the WorkWell service.
